- CD-ROM or DVD-ROM

# Listen to Internet Radio

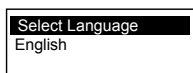

## Note:

1. Please get the name (SSID) of AP which you are going to connect.
2. Please confirm the AP has connected to internet and worked properly.

The following steps are for connecting **ALBRECHT DR 440i** to AP.

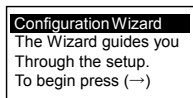

### ● STEP 1

Turn on the power of **ALBRECHT DR 440i** and select “English” in Language section, then press “▶”.

### ● STEP 2

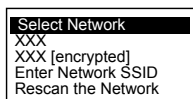

Press “▶”.

### ● STEP 3

Please select the AP which you are going to connect. For example, XXX[encrypted], then press “▶”.

1. XXX is the name (SSID) of the AP.
2. It will show XXX[encrypted] if the AP is encrypted. (go to step 4 after selecting)
3. It will show XXX if the AP has no encryption. (go to step 5 after selecting)

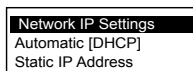

### ● STEP 4

Please enter the password of the AP then press “▶”. It will skip this step to step 5 if AP has no encryption.

### ● STEP 5

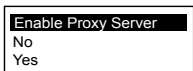

Please select “Automatic (DHCP)” if the AP is using DHCP connection. Then press “▶”.

(If the IP is set manually, please select “Static IP Address”, then press “▶” and follow the instructions on the screen.)

### ● STEP 6

Please select “No” then press “▶”.

### ● STEP 7

Please follow the instructions on the screen, then press “▶”.

### ● STEP 8

**ALBRECHT DR 440i** will re-boot now, please wait a moment.

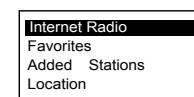

### ● STEP 9

After re-boot, the Update option will show up. Please press “▶” to start the update and wait until the process completed. (Now you can confirm the setting you have done. If the setting is correct then it will go to next step directly after update. Otherwise, it will go back to previous page.)

The following steps are for setting to listen Alouette (in France).

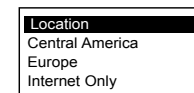

### ● STEP 1

After updating the **ALBRECHT DR 440i** will enter the page of “Internet Radio”. Please select “Location”, then press “▶”.

### ● STEP 2

Please select “Europe”, then press “▶”.

### ● STEP 3

Please select “France”, then press “▶”.

### ● STEP 4

Please select “All Stations”, then press “▶”.

### ● STEP 5

Please select “Alouette”, then press “▶”.

### ● STEP 6

Now please wait for connecting to Alouette.

Enjoy the internet radio on **ALBRECHT DR 440i** after complete all the steps above.
